No inning may be started after two (2) hours from the original scheduled start time; the next inning starts when the final out is made in the prior inning. This rule applies whether or not a game is to be played on the field following the game in progress. This rule also applies to restarting an inning after a rain or weather delay; a delayed inning may not be restarted after two hour fifteen minute (2:15) from the original scheduled start time. Extra innings may be played in accordance with the league time and other game completion rules. If rain, darkness or weather ends a game prior to 4 complete innings of play the game will be suspended. If the game is called after 4 innings the score will stand as a complete game reverting back to the score at the end of the last fully completed inning, including if such score results in a tie game (3 ½ innings complete with the home team winning).

- A minimum team will consist of 8 players. No out shall be recorded in the ninth batting position if only 8 players are present at a game. If more players arrive after the game begins they will be added to the end of the batting

The presence of lightning or inclement weather shall result in the suspension of any game immediately at the discretion of the managers. The game **or** practice will not resume until the threat of lightning or inclement weather has subsided for at least 20 minutes. If a game is cancelled, postponed, rained out, etc., it is the responsibility of the home team manager to notify the Instructional League Commissioner, immediately, for rescheduling.
- Rainouts should be rescheduled as soon as possible on a date agreed to by both coaches. Both coaches should work directly with the schedule coordinator to reschedule rainouts.

Runs Scored

- Innings 1-5 are finished when 3 outs or a maximum of 5 runs are made, whichever occurs first. Inning 6 is finished when 3 outs are made.

Pitching

- Pitchers are allowed to pitch a total of 6 innings in a 7 day calendar week. No more than 3 innings in a game. Calendar weeks roll over Saturday at midnight.
- Three additional innings will be allowed for a makeup game, with 9 innings maximum for the week.
- Any partial inning or single pitch counts as an inning.
- For the benefit of the players, coaches are urged to carefully follow these rules.
- Balks are called after one warning (per individual pitcher) from the umpire. Umpires should stop the game and explain to the pitcher why the balk was called.
- Coaching staffs may visit the defense including the pitcher during the game. Visits should be limited to 1 minute. On the second trip in an inning to confer with the defense with the same pitcher on the mound, that pitcher must be removed.
- Pitchers must not wear anything distracting on their arms (i.e. white sleeves, wrist bands, etc.)
- The pitcher must be removed if he hits two batters in one inning, or 3 batters total in the game.

Defense

- Catchers must use catcher's mitt.
- It is mandatory that catchers wear full protective gear, including cup protection, while catching. The game will be forfeited if one team is unable to play a catcher without cup protection.
- Catchers cannot intentionally block the whole plate without the ball. The runner must be given the opportunity to touch the base.
- A defensive player cannot promote contact by intentionally impeding a runner.

Batting/Ball in Play

- On deck batter must be on same side of the plate as batter.
- Overthrow out of the playing area is a dead ball. The runner(s) is/are entitled to one base only.
- Overthrow in the playing field, the runner(s) may advance as far as possible at their own risk. When a defensive player has the ball at the pitcher's mound area, the runner(s) must hold to their base. If the runner is halfway between bases when the pitcher gets the ball, they can continue to advance at their own risk.
- Lead offs are allowed.
- Stealing is allowed up until a 5 run lead is established. Once this happens, lead offs are still allowed but any runner attempting to steal a base, including at hit and run situation, will be sent back to the base they were at.
- Runners may advance on a passed ball, regardless of the score.
- Bunting is allowed. Players are **not** allowed to offer a bunt, pull back and full swing. This action will result in a dead ball and an automatic out.
- Sliding: The base runner must slide to avoid contact when a play is pending. The offensive or defensive player that promotes avoidable contact will be ruled against. Sliding is always deemed as an attempt to avoid contact.

Any contact that is deemed flagrant by the board will receive a 2 game suspension. Penalties carry over to playoffs games.

- Home plate, if contact is possible, (close play), the player must slide into home to avoid unnecessary contact. A player positioning his body between a runner and his destination (blocking the plate), is considered to be promoting contact. The umpire's discretion will stand.
- Intentionally throwing equipment (helmets or bats), and swearing at an umpire are grounds for dismissal from the game.
- Throwing bats: 1st time team – warning. 2nd time team will result in an out.
- The infield fly rule is in effect.
- The drop third strike rule is in effect.

Coach Responsibilities

- Sportsmanship with healthy competition is to be stressed. It is the expectation of the EYBSL Board that our coaches model the EYBSL Code of Conduct at all practices and games. We expect them also to hold their parents accountable for their behavior at practices and games also.
