

2014 Sugar Grove Park District T- Ball Ages 5-6 LEAGUE RULES

1. This is a non-competitive league; we urge all coaches and parents to stress a good sportsmanship attitude.
2. No score will be kept.
3. Players will advance one base at a time. The last batter up in each inning will circle all the bases.
4. An inning will consist of each team batting through the line-up.
5. All teams are to rotate players to different positions after each inning. Both pitchers and catchers are required to wear a helmet for their safety.
6. The team in the field is allowed two coaches on the field to help coach and call the plays.
7. All players will **bat off the tee for the first three games**; after that, the coach of the team batting can pitch underhand to players who don't need the tee.
8. Beginning with game four, if the batter hasn't hit the ball after **five** pitches, the batter must use the tee.
9. There will be no outs or in-field fly rule.
10. Have all batting line-ups and field positions made up before the game. A one-hour time limit will determine how many innings are played.
11. All teams are to use the league's equipment.
12. As players share batting helmets, we strongly recommend that all players wear baseball caps under their helmets.
13. HAVE FUN!!
